

Primary PE Sport Grant Plan 2016-7

PE Sport Grant (SG)

The Government has provided funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, MEdia and Sport. It will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children.

The funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding into areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children through the primary phase. All schools will receive a lump sum of £8, 000 plus a premium of £5 per pupil for the next two academic years.

Total number of pupils eligible for funding	121
Lump sum	£8,000
Amount SG received per pupil	£605
Total	£8,605

Objectives of spending SG:

- To increase number of children taking part in exercise at lunchtimes as part of our offer of 30mins daily exercise for all pupils
- To increase pupils understanding of the importance of regular, sustained exercise
- To develop a love of sport and physical activity
