

Thank you for your enquiry regarding a school place at John Locke Academy.

We are sorry that you have not been successful in securing a place.

If you still wish to be put on the waiting list for a place at JLA, please note:

- **Parents are advised to accept the school place that their child has been offered in order to secure a school place in September.** Accepting the place that your child has been offered will not affect their position on the John Locke Academy waiting List.
- A waiting list will start after all allocations have been processed by the Hillingdon Borough Primary Admissions Team.
- Your child will automatically be added to the John Locke Academy waiting list if you listed it as a higher preference than the school you have been offered on your original application.
- The waiting list is created in line with our [admissions policy](#). If a place becomes available, you will be contacted directly.
- We will not be able to tell you what your place is on the waiting list until mid-May when all of the acceptances have been processed.

Thank you again for your interest in John Locke Academy.
